

Origami Fortune Teller

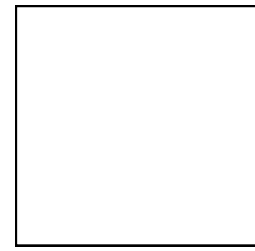

Start with an A4 piece of paper.

Fold so that the top edge meets the side edge.

Cut the bottom extra paper off.

Repeat for the other 3 corners.

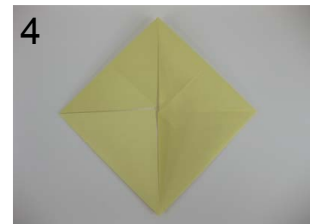

1 Fold in half vertically and horizontally/ then unfold.

2 Fold in half diagonally and unfold.

3 Fold a corner into the centre of the square.

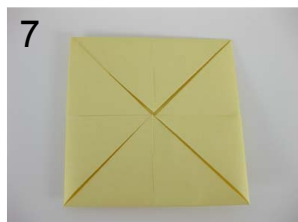

4 Repeat for the other 3 corners.

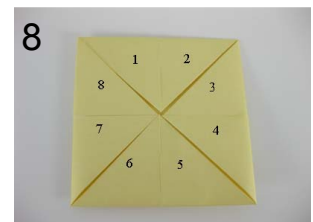

5 Flip the paper over. You can write a fortune in each 8 sections.

6 Fold a corner into the centre of the square.

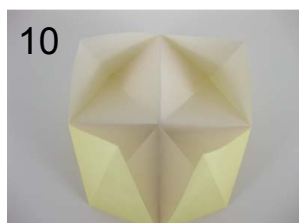

7 Repeat for the other 3 corners.

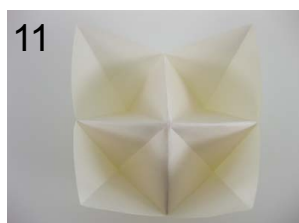

8 Write a number in each section, or you can use colours, theme etc...

9 Flip the paper over. On each of the four sections, you can write a colour or shape.

10 Open the paper gently.

11 Eventually you get a 3d object.

12 Flip the paper over and the fortune teller is complete.
